Business honour to Northern Timberhouse

Melissa Stephens: Highlander of the Year

by Ariel White

They were singing Melissa Stephens' praises at the Chamber of Commerce annual meeting. The choir master was chosen as the 1999 Highlander of the Year.

Stephens, along with Alfredo Rico of Northern Timberhouse Limited, the Business of the Year, were celebrated at a dinner at the PineStone, where both, in turn, thanked Haliburton County for its community spirit and inspiration.

Curtis Eastmure presented Stephens with the award. He thanked her for her tireless drive and enthusiastic support. He called her a "very busy lady", a title which hardly scratches the surface of her commitments.

Eastmure, with the help of Stephens' husband Craig Saunders, was able to get a peek at her day planner, to capture just how busy she is.

A brief review of the last couple of weeks, amazed the crowd. According to her crowded schedule she performed twice at Wigamog Inn, twice at the Northern Lights Performing Arts Pavilion in *Love Notes*, a fund-raiser for the theatre's new piano, as well as playing the organ at two church services, all on Thanksgiving weekend. The rest of the week included rehearsals with the Messiah choir, the Community Choir in Lindsay, the Haliburton United Church Choir, the Haliburton Christian Pop Group, the Zion United Church Junior and Senior Choir, the HHSS production of *Grease*, and the Haliburton Chamber Choir.

"All of this was done as a volunteer and for the love of music," said Eastmure. He noted that when she is not directing her myriad musical groups, Melissa Stephens finds time to teach part time at Haliburton High

(more on page 3)

Melissa Stephens was named Highlander of the Year at the annual meeting of the Haliburton Highlands Chamber of Commerce. Curtis Eastmure made the presentation on behalf of the Chamber.

HHHS Foundation annual meeting told:

Ready for second year of campaign

by Ariel White

The Haliburton Highlands Health Services Foundation annual general meeting was a small affair, despite the enormity of the current capital campaign and the organization's efforts to raise \$5.5 million dollars for health care in the Highlands.

Foundation Vice Chair Ray Selbie chaired the meeting, as the fund-raising body recently appointed former chair, Dale Walker, its managing director.

Selbie briefly reviewed some of the fund-raising activities the foundation has hosted or supported over the course of the last year, the first year of the Capital Campaign. He noted several successful events including the summer gala, which raised \$26,000, the Minden Home and Garden Tour, which contributed \$5000 and a barbe-

cue at Don and Sheila Popple's home which made over \$14,000. As well, last year's Christmas lights campaign raised \$35,000. In September of this year contributions in the amount of \$24,095 were received and October has fared as well.

On behalf of the board, Selbie thanked the many people who had helped raise money for the capital campaign up to this point, including the various hospital auxiliary groups, service clubs and businesses in and around Haliburton County.

Finances in good order

Peter Shennett, of McColl Turner, reviewed the financial statements of the foundation. It was noted that revenue by March of 1999 was \$890,881, almost twice that of the previous year. Shennett felt that this was positive as it reflected only the first three months

of the capital campaign. From now on, however, Shennett pointed out that there will be a net reduction in assets at the Foundation, as money flows through the fund-raising body while the construction of the hospitals is taking place. At this point in the campaign, Shennett estimated that 38 per cent of the total required by the Foundation had been raised.

Report from HHHS

Executive Director of Haliburton Highlands Health Services, Foster Loucks, thanked the Foundation, as well as the many volunteers and donors who have helped to raise money for the hospitals. "I think it's important to reflect at the time of an annual meeting, on the progress we've made," said Loucks. He noted that it was not long ago, that HHHS "put the shovel in the ground" and to date, the Hali-

burton hospital is approximately 80 per cent complete and the Minden site is at 60 per cent. It was estimated that the new facilities would be occupied in late spring of 2000 for the Haliburton Hospital and by the end of summer for the Minden Hospital. The long term care wing at Hyland Crest should be ready for occupancy early in the new year. Currently the Haliburton hospital is preparing to move acute care patients into the new long term care area, while the old section is renovated. Loucks said that although the Haliburton patients are being inconvenienced, as the Hyland Crest residents have been, once they are required to move for renovations, they understand that it is for a greater good. "I think that we are keeping our eye on the ball and in short order we will be able to offer them a state of the art

HHHS Foundation Vice Chair Gord Monk, left, helps display one of the posters used to promote a fund raising campaign at Miner's Bay Lodge. He is also holding the stack of donations which were received from the guests and the \$1000 contribution from the Wunker family. On hand to make the presentation were Dotty Wunker, Gail Leach-Wunker and Russ Wunker. (Randy Wunker was unavailable for the photo.) Details of how the \$6875 donation was accumulated are given in the article below.

Lodge guests show appreciation for local health care facilities

A summer of fund raising and a half of century of fun raising has paid off for the Wunker family at Miners Bay Lodge.

Aware of the capital campaign for health care facilities in the Highlands, the Wunkers, who own the lodge south of Minden, encouraged their guests to contribute to the Haliburton Highlands Health Services Foundation's fund-raising effort. To get the ball rolling, the lodge put up \$1000 and challenged its guests to match the amount.

They promoted the campaign with posters strategically located around the property and with regular announcements during the summer months.

Many of the guests at the lodge have made the Gull Lake location a spot for an annual vacation, including some who have been returning for more than 50 years. "For almost a half a century, the Minden Hospital has served the guests of Miners Bay Lodge," Russ Wunker explained. "Whether dealing with too much exposure to summer sun, pulled muscles, misplaced fish hooks or more serious health concerns, our community has benefited from the professional services provided. Those who have not required assistance have been reassured to know help was close at hand, if they or members of their family should need it."

With the challenge issued, the resort owners watched in amazement as their guests responded. "We received donations from 74 individuals and guest families," Wunker said. The donations collected from the guests totalled \$5875, making a grand total of \$6875.

Individual donations ranged from \$10 to \$500.

Last week capital campaign Vice Chair Gord

Monk accepted the contribution. He expressed the appreciation of the Foundation for the support of Miners Bay Lodge and guests. "The lodge is an institution in our community," he said. "This donation demonstrates why Miners Bay Lodge is considered a good corporate citizen."

Wunker and Monk issued a challenge to other resorts and lodges in the Highlands to carry out similar fund raising efforts. "The health services we are building will be there for everyone," Monk said. "They will serve the needs of permanent and seasonal residents, as well as visitors who enjoy the Highlands and our many vacation opportunities."

Miner's Bay Lodge has been operated by the Wunker family since 1938. It attracts visitors from across North America, many who have made the Gull Lake location a holiday destination for generations. According to Russ Wunker, in 1999 the Miners Bay Lodge Fifty Year Club had six active participants. Those six had a total of 315 years of vacation experiences at the lodge.

Passion for music and log homes honoured

(from page one)

School and work as a private tutor and music coach.

Stephens has also played her part in bringing musical theatre to the Highlands. She and Eastmure directed the Broadway hit *Camelot* in 1991, where she not only orchestrated the music, but created all of the costumes from scratch. She took on the same responsibilities again in 1993 for the musical production of *Brigadoon*.

Melissa Stephens was grateful for the honour and joked that when she is in front of a large crowd, she usually has her back to it, as she is conducting the choir. She thanked the nominators, who submitted her name to the chamber, Curtis Eastmure for his speech, her friends, the Chamber of Commerce, and her husband Craig, whom she called her secretary, chauffeur, agent and more. "He is always there to support me," she said.

Stephens said that the award was not just for her, but an award to celebrate the success of the arts in Haliburton County. "For years we have talked over beer and coffee asking, 'wouldn't it be nice to do a show?' And now we can," she said. Stephens felt that now that the

Alfredo Rico of Northern Timberhouse Limited was presented with the Business of the Year Award by Dianna Ferguson, a member of the Chamber of Commerce board and an owner of a Northern Timberhouse home.

stage has been set for the performing arts, the community must be prepared to welcome an influx of retirees, attracted to Haliburton County to be a part of the performing arts. She noted that the Messiah Choir receives weekly calls from people who have recently moved to the area, who would like to sing.

Love affair with logs

The Business of the Year award was presented to Northern Timberhouse Limited, by Diana Ferguson, a member of the Haliburton Highlands Chamber of Commerce board of directors, and also

the owner of one of Alfredo Rico's timberframe homes. She described her house as, "...it looks as though it grew out of the ground."

Originally from Uruguay, Rico once worked in Manhattan, for the United Nations. After seven years, he spent a summer in British Columbia and it was then, according to Ferguson, "He decided his true passion was for building." He quit his job in hectic New York City, and ended up in a slightly less urban area — Haliburton County.

Ferguson said that Rico not only had the skill to create a quality product, but the vision and the will to create an extraordinary product. She noted that each project has between 1500 and 3000 man hours attached to it. In the 20 years that Northern Timberhouse has been in business, south of Minden, it has completed 75 projects. "Your work is known globally, and it is appreciated locally," said Ferguson.

Although the award was not a surprise, the business owner was obviously still overwhelmed when he came up to accept it. "I am blown away," he said.

Rico said that Haliburton has indeed been his inspiration for success over the last 20 years. "It is an incredible and beautiful place. Not only is the geography mind blowing, but the people." In the beginning, when he was still learning the trade, he spoke to many of the "Old Timers" in the county, to learn the old ways and techniques that are still a big part of his business.

Rico spoke of Haliburton County as a treasure that many may take for granted. He called the Chamber of Commerce a "great instrument for Haliburton County, and felt that with increased economic development, this could become an even stronger place to live and work.

Alfredo Rico stated that it was not just himself who was receiving the award, but the business. An integral part of the business is the staff, without whom there would be no business to honour. "This is a group of people who formed Northern Timberhouse," said Rico, who introduced each member of the staff attending the dinner. He noted that each project contains a piece or idea from each and every staff member.

In receiving the Business of the Year Award, Rico thanked many people, including, his nominators, his many clients, of which he noted three were in the audience, his staff and finally a group of people, who he said, were also an extremely important part of the business — his wife and three children.

Ken Watts receives Order of Ontario

A Minden resident will receive the Order of Ontario today in Toronto.

Ken Watts will be presented with the prestigious award for his effort as founder of the Ontario Collegiate Drama Festival more than 50 years ago. Through his pioneering efforts, more than one million students have taken part in over 45,000 shows. Many of the young actors have since gone on to be notable Canadian actors and actresses.

The investiture will take place at Queen's Park with Lieutenant Governor Hilary Weston officiating.

HHHS Foundation selects new chair

(from page one)

facility," said Loucks. He also noted that during the construction process, HHHS is handing over a million dollars each month thanks to the efforts of the Foundation, provincial and federal contributions.

New board members

Dale Walker introduced the new board for the upcoming year. There were few changes to the board, as each term is three years and the board has been in existence for three years. The board members for 1999-2000 are: vice chair Ray Selbie; Don Popple; Don Hall; chair Gord Monk; Mac Gadway; Jack Brezina; secretary treasurer Joanne Camelon; Bill McAfee; Karen Taylor; Karen Dockerill; and Bonnie Fleischaker.

New chair appointed

At the regular board meeting held after the annual meeting, the Haliburton Highlands Health Services Founda-

tion appointed Gord Monk as the new chair of the board. A new chair was required as the former chair, Dale Walker, stepped down to become the managing director of the organization.

NEW CHAIR: Gord Monk has been appointed chair of the Haliburton Highlands Health Services Foundation.

Chamber looking to a brighter future

After a year of challenge and change, the Haliburton Highlands Chamber of Commerce is planning for a bright future. A focus on economic development and increased use of volunteers were some of the items discussed at the Annual General Meeting held October 20 at PineStone Resort and Conference Centre.

"We've had a very busy year," said President Bryan Kernohan. "Lots going on and lots of improvement."

Kernohan reviewed the last year at the chamber, with the Destination Guide at the top of the list. He noted that the chamber had not produced a guide such as this, on its own, in some time. "We are looking forward to doing this next year." The guide was reduced in size this year, and it was found not only to be more cost effective, but the compact size was appreciated by those who picked it up at the Highway 35 Visitor Centre.

The chamber's involvement with the Haliburton County Marketing Committee was also discussed. The committee is focusing on creating a four season economy, and according to Kernohan, is placing emphasis on the "shoulder seasons", spring and fall, in hopes of creating a stronger tourism base throughout the year. Kernohan also reported that the chamber was very close to securing a general manager and an announcement will likely be made in the next couple of weeks.

Finances in good shape

The chamber financial statement was reviewed by Mark Mooney and Wayne Carter of Humpage, Taylor, McDonald. Mooney stated that the chamber was in good financial shape, due in part to revenue generated by the Destination Guide, although expenditures also increased. Mooney noted that it is expected that there will be additional cost savings in the Destination Guide in its second year of production. "Generally everything looks good in the financials statements," said Mooney.

Correction

The meeting to be held to discuss the amalgamation of the Townships of Stanhope and Sherborne et al will take place on November 20, at 10 a.m. at the Stanhope Firefighters Hall, not November 10 as previously published in a recent article in *The Times*. There will also be a meeting held on October 28 at the Dorset Recreation Centre.

Manager's Report

Interim Manager Ross Rigney thanked the members in attendance for their co-operation over the last few months. "It has not been a very pleasant time with the difficulties the police imposed on us," said Rigney, who has been the interim general manager since previous manager Brian Dean was arrested. The chamber's computers and many files were seized as evidence, and Rigney stated that even now there are files that have not been found.

Rigney praised the summer students who helped in the office over the busy season, as well as the 11 volunteers who have helped fill in. "They have been great," he said. He stated that in sitting in the general manager's position, he realized that there was a great need for extra help with tourist information. Volunteers can man the front desk, while the manager focuses on economic development.

It was also reported that the fall has been "intensely busy". "There is still a lot of activity," said Rigney.

On behalf of the membership, Jessie Pflug thanked Rigney for his efforts over the last few months. "Our businesses have all seen the results and thank you from the bottom of our hearts," she said.

Directors re-elected

Members voted to re-instate four directors for another two year term. Bryan Kernohan of J.A.C. Kernohan Construction, Don Gage of Willow Beach Cottages, Larry Hodgson of the Community Economic Development Committee of Anson, Hindon and Minden and Peggy Cassils of Regal Capital Planners Ltd. will remain on the board for the next two years.

PARTNERS AGAINST CRIME: HHSS Vice-Principal Irv Sternberg presented OPP Community Services Officer, Laura Ostler with a certificate, last week, as part of the Week Without Violence program at the high school. The presentation signifies a new partnership between the school and the police, to promote better understanding and communication between police and students.

PRE-PLANNING... A THOUGHTFUL WAY OF CARING

When you die, your loved ones will have to deal not only with their sorrow and loss in your passing, but also with the many details and decisions required in planning your funeral arrangements.

By caring enough to pre-plan these arrangements you can ease the burden of your family during this difficult time. With pre-planning, you specify arrangements that might have otherwise caused sadness, confusion, even differences of opinion among family members. You make the choices - even determine the cost - involved in your funeral; bringing peace of mind to yourself and your family with the knowledge that they will not have to decide what your wishes might have been.

Planning for the future is logical, wise and caring.
Don't let this important time be an exception.

A well-deserved honour

There are many people in the Highlands who have made a laudatory contribution to our community. However, we can think of no one more deserving of the Highlander of the Year award, presented last Wednesday evening, than Melissa Stephens. The honour recognizes her many years of volunteer service to the community, especially in the area of the performing arts.

As an accomplished musician, she has shared her love of music with students and the community at large. She has eagerly stepped forward to assist in numerous musical events

that have not only enriched the singers and musicians she has directed, but also the thousands who have attended the many performances of which she has been an integral part.

Although she has been involved in many aspects of the performing arts in the Highlands, her leadership of the Messiah Choir is certainly the most prominent role. Working with enthusiastic volunteers who bring a full range of musical skills to the task, she has created and sustained an organization that has become a much valued community institution.

In doing so she has not only enriched the lives of those who are part of the choir, but those who us who eagerly attend each concert. Through her hard work, encouragement and dedication, she has given young and old an opportunity to develop their musical skills, uncovering hidden talent and allowing them to stand in the musical spotlight.

Melissa Stephens has made a major contribution which will resonate throughout our community for years to come, making her the ideal recipient of this year's Highlander of the year award.

jb

Hospice lends a helping hand

Editor:

I am writing about a volunteer who assists my husband and I with my father, a 90 year old man who can not live on his own since being afflicted with alzheimers. We have been looking after my father for the last year and a half full-time in our home as opposed to him

living in a hospital or retirement home. To say the least, this is hard work and we are eternally grateful for this volunteer's assistance.

This volunteer is a quiet man named Glen who visits our house biweekly to talk with my father for a couple of hours at a time and will stay longer so that we can complete

errands and just take a "breather". Glen volunteers his services through SIRCH Community Hospice, an organization that will send volunteers to provide non-medical support including companionship and emotional support, help with transportation, rest for other care-givers and bereavement support for family members, for those who live with life-threatening illnesses or for their care-givers.

Since Glen's involvement in our family, my father has become more talkative and interacts better with others, a contrast from when he first came here to live with us. My father always has a big smile on his face when Glen arrives and it is almost like they have been old friends for many years. We think Glen is a kind, patient individual and it is wonderful to know that people like him volunteer their time to help us cope with this terrible, frightening and debilitating disease of the mind.

We have come to depend on this program and its volunteers who, like Glen, are quiet but important contributors to our community and deserve our support and recognition in return.

Londa Earle
Minden

Editor:

Maybe I could explain to the MNR why the bear didn't eat my dog. It was scared away by my granddaughter yelling and putting on lights outside. She just heard the thumping noise of the bear bumping the dog house over the ground a bit at a time. He dragged the dog and the dog house about 25 feet as I followed the trail through very long grass and would find little pieces of her hide about two by three inches. Then her collar came off over her head and there she was left about 10 feet from her collar and her house. The bear fled because my granddaughter was out her deck yelling.

Bears are starving because of no

spring bear hunt. They put out pounds and pounds of feed for bears in the spring, which is a great help to bears. To make it worse, there was no wild fruit. The first time in 65 years I never got any wild berries of any kind, no black or choke cherries, no high bush cranberries, and not even any pine cones or nuts.

I'm sure everyone had their share of chipmunks. They pulled all my lilies, ate the bulbs and I never got even a meal off my peas.

Little Trixie was my company, I have never been without a dog. If people or man would leave nature alone we would be better off.

School policy not considered "unreasonable"

Editor:

As a parent of a child attending ASES, I would like to applaud the implementation of our new school policy.

There are many views and opinions regarding this issue, but sadly we've only been hearing one.

The new policy simply states:

All visitors to the school, including parents, must sign in at the office. Parents above Kindergarten level must drop children off at the front doors, instead of walking them to classrooms. Parents of children above Grade Three

must wait in the foyer for their children and the parents of primary students must wait until 3:30 p.m. to pick up their children from class.

This is not unreasonable nor is it offensive. I totally understand why these new rules have been implemented, with the large number of people entering the school without anyone's knowledge and the disruption it can cause. The new policy seems like a sensible solution to the problem.

Personally I feel better about my child's "personal safety", with a little more careful monitoring of who is

entering the school and for what reason.

Teachers are paid to teach and the students are there to learn. As parents we'd probably be a lot more helpful if we were a bit more supportive and understanding.

As a person with a different view of this debate I'd like Principal Rosie Kenney, teachers and all of the support staff to know, just because we aren't quite as vocal as those against the new policy, there are still many, many of us who feel it's just fine. Keep up the good work.

Denise LeBlanc

Positive attitudes fostered by teachers and staff at ASES

Editor:

Thanksgiving has come and gone, but its never too late to say a special thank you to Mrs. Kenney, the teachers and the staff of ASES.

Unfortunately, with the implementation of the new policy at our local elementary school, it seems our school has taken quite a morale beating. We think its important to remember the flip side of the coin, and focus also on the many positive attributes of ASES.

School is our children's home away from home. Kids are smart, they pick

up on the feelings and attitudes of both parents and teachers.

We are very grateful to all the teachers who have taught our five children through grades Kindergarten through eight. We feel blessed that our children are cared about, protected, nurtured and have learned and grown throughout the years not just academically, but intellectually, emotionally and spiritually as well.

So to all of you at ASES, a very heartfelt thank you.

Bennett and Donna Wu

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

Locked in a cell

The first cordless phone I ever saw was the size and weight of a twenty-sixer. It cost its trendy owner somewhere around \$3,000.

Plus whatever he paid for subsequent hernia operations.

That was back in the early '80's. Today, I can pick up a cell phone the size of a deck of cards with ten times the reception of that early model and it won't cost me a dime — if I sign a binding service contract.

Progress? Millions think so. I'm not so sure.

Cell phone mania is galloping through society like a bad 'flu bug. In the U.S., one company — Sprint — is signing up 8,000 new customers a day. Some genius has figured out that somewhere in North America, someone is buying a cell phone every 37 minutes.

And it's not just us. Last year 121 million cell phones were sold around the world. That's four times the population of Canada, folks.

Not just the Upper Crust either. Pizza delivery men carry 'em. So do housewives and sales reps and schoolkids. They're everywhere. Very soon each one of us will be only a few digits away from anyone else in the world.

Undeniably beneficial if you happen to be stranded in a broken down car at

midnight; or lying in a ravine by a remote hiking trail with a sprained ankle and a snowstorm coming on. Handy to be able to whip out your cell phone and punch in the number of CAA or Search and Rescue.

Sociologist Bernard Beck is gung ho. He says soon "anyone will be able to find you...you cannot hide because the cell phone goes with you, and if you leave it behind, you will be blamed for not taking it with you."

Oh, swell. Cell phone guilt. Just what I needed — a new neurosis.

Call me Kermit the Hermit, but the prospect of being on call to the rest of the planet 24 hours a day is not one that fills my heart with joy.

Sometimes — a lot of times, actually — I don't want to be found.

Right now, excuses are easy. I just say I haven't gotten around to buying a cell phone yet. Or if I had one, I'd say the batteries were low or "I must have been out of range". But if technology keeps expanding in quantum gulps as it has for the past decade, the units will soon be as cheap, reliable and ubiquitous as Timex wristwatches.

And now, a confession. Before I embrace those new lies, let me lay an old one to rest.

I am not a virgin. I owned a cell

phone once.

About ten years ago, when the phones they are now giving away were retailing for about 400 bucks a pop. *Mea culpa*. I succumbed. Bought my cellphone. Carried 'my unit' with me everywhere I went.

For about a week. Then one day as I was driving home from work I decided to call home — just because I could.

"Hi, hon" I bumbled, juggling the cell phone and steering around a lumbering semi, "Just called to let you know I'm on my way home."

"Oh really," said the voice in my cellphone, dryly. "You mean...just like last night?"

Seems that back home, the dog had just thrown up on the carpet, a pot of broccoli was boiling over on the stove and there was a squad of Jehovah's Witnesses at the front door. A phone call confirming the obvious was something my Helpmate Through Life's Trials really didn't need.

Back during World War II, the Brits had an energy-saving campaign that featured the slogan "Is this call really necessary?"

That's what this world needs — not newer cell phones.

Older slogans.

Et cetera

School Council press release

Policy designed to improve the learning environment

The following report was issued by the School Council of Archie Stouffer Elementary School regarding the new access policy now in place.

Archie Stouffer Elementary School is committed to providing its students and staff with a safe, positive learning environment. For effective learning and teaching to occur in a school, it is important to have orderly procedures for managing the people who access the building. The demands and expectations of the Ontario Curriculum have reinforced the importance of using every moment of the instructional day to its greatest potential. Distractions and unexpected interruptions make it difficult for students and teachers to maintain focus on the various tasks that occur in a school.

Due to the large physical and numerical size of the school, many staff do not know if an unfamiliar adult or high school student is a parent/guardian, a sibling, an other authorized visitor, or a possible trespasser. Therefore, after consultation with the School Council and their support, the procedure for visiting

the school has been developed by staff.

An expanded version of the original guidelines was sent home with the school newsletter on Friday, October 22, 1999. One change in routines has been included to reduce congestion in the primary hallway at 3:30 p.m. Parents/guardians who are picking up students in the primary grades (Junior Kindergarten to Grade 3) are asked to wait until 3:35 p.m. before proceeding to the classrooms, so that students who ride the scheduled buses can be dismissed.

The School Council is establishing a committee (eight members) with representation from the Council, the parent community at large and the school staff, to develop strategies to enhance the relationship and communication between home and school. If you are interested in being a member of the committee, please call Rawn Brown (286-1706) or Sheila Shaw (286-4240). It may be necessary to draw names for committee membership. Ideas can be submitted through any Council member or through the Council's suggestion box in the main office.

Splash down

Junior football quarterback Adam Henry makes a dramatic landing on the rain-soaked field Friday afternoon. Despite the soggy conditions, the Juniors defeated St. Peter's of Peterborough 26-0. The win was their second shut out of the week. On Tuesday the Junior Red Hawks shut-down Fenelon Falls 41-0, with three touchdowns from Jamie Doan and singles from Garrett Pockett, Alex Judge and Mark Hamilton. Kicker Ryan Hutson was successful in five of his six conversion attempts. The juniors play again this Friday when they face Crestwood of Peterborough. Game time is 1 p.m. (Ariel White photo)

MILLENNIUM LAKE TROUT:

Eight students from Haliburton Highlands Secondary School spent several hours over two days fin clipping Haliburton strain lake trout at the Haliburton Highlands Outdoors Association Hatchery. The fish were raised from eggs collected from Halls Lake in October of 1998. They will be stocked in Haliburton County lakes in the spring of 2000. Nick Kulas and Stephanie Sternberg were two of the students who assisted with the fin clipping. A total of 8,000 three to four inch fish were clipped for future identification. HHOA volunteers, a few HHSS students and Ministry of Natural Resources personnel collected another 14,600 lake trout eggs from Halls Lake this month.

Tri-County Atoms win opener

by Donna Fry

On Friday, October 22 the Minden Monarch Tri-county Atoms travelled to Fenelon Falls for their first game of the season and came home with a win.

The Fenelon players came out strong, but they were taken off guard when Derek Nesbitt picked up the puck on defence and took it alone, end to end, to open the scoring. Mike Toye came up big in net with three saves in 15 seconds as Fenelon went on the offensive.

Midway through the second period, Zach Pierson hit the mark on a pass from Mackie Campbell. Despite feeling under the weather, Mike Fisher was able to hold on to the shutout late in

MINDEN MIDGETS ON THE ATTACK: Ashly Pettes (16) and Caleb Loughheed (4) weave their way through defenders to challenge the Orono goalie during an OMHA Midget game Tuesday evening at the Minden Arena. Their efforts were in vain, as the local team was overwhelmed by the well-co-ordinated attack of the visitors. Orono went home with a convincing 10-1 victory.

Pee Wees back on track

by Ariel White

The Minden Monarchs Pee Wees made up for a close loss to Beaverton with a 9-0 victory over Port Perry on October 16.

On October 9,

Beaverton started the scoring in the first period, but Minden fought back, with Kolt Smith and Darrin Brown netting a goal apiece. The first period was fairly quiet, but by the start of the second, the game picked

up.

Smith scored twice in the second period, and Matt Allore picked up a goal as well to give Minden a two goal lead into the third.

The third period belonged to Beaverton however, as the team scored six goals in the last half of the period, giving them a 9-7 win over Minden. Goals in the last frame were scored by Kolt Smith and Andrew Bull.

Mark Fisher, Shaun Chapman, Andrew Bull, Daryl Arbour, Mark Fisher.

One by Darrin Brown and a pair by Kolt Smith, capped off the game, which netted a shutout for goalie Tyler Anderson.

Atoms shut down Fenelon

(from page 9)

the second. Tyler Box worked hard to clear the puck, frustrating the Fenelon forwards, and Steven Roome played solidly on the defensive. Jake Ruddy's aggressive style helped keep Fenelon scoreless.

In the third, Zach Pierson scored again for Minden, assisted by Billy Kulas. Jason Loughheed played a smart offensive game with excellent clearing passes. Kelly Muir continued to shut down the Fenelon offence.

In the last few minutes of the game, Mackie Campbell fired a rocket from the point to put Minden up 4-0. The goal was assisted by Kyle Fry and Steven Kerr. Back in net, Mike Toye stopped two more breakaways. The last face off of the game was won by Jake Findeis, clearing the puck out of the Minden end in the dying seconds of the game.

Minden 9-Port Perry 0

The story had a different ending on October 16, as Minden totally dominated the game against Port Perry. The first period was slow, with no goals and only one penalty against Minden. But by the second period Minden picked up steam and scored six goals in quick succession. Goals were scored by Jeffery Upton,

LOOKING FOR

DAYLIGHT: Mike Morrisette threads his way through his Red Hawk blockers as they push Fenelon Falls defenders to the side during Tuesday's game in Haliburton. The Red Hawks were defeated by Fenelon Falls 22-14. Friday, the Seniors defeated St. Peter's of Peterborough 27-7. The seniors take to the field again this Friday in Haliburton at 3 p.m., immediately following the junior game. They will face Crestwood of Peterborough.

Manvers takes Atoms 3-1

--submitted--

October 16, Manvers travelled to Minden to face off against the OMHA Atoms. Minden held the early territorial advantage and swarmed the offensive zone for a good part of the first period, but could muster only a single shot on goal. Manvers, for their part, broke out on a rush to test Minden netminder Mike Lennox a handful of times throughout the scoreless first period.

The second period was more fast-paced and featured good scoring chances by each team. Cody Mills had a great chance on a 2 on 1, but could not deflect a Travis Walker pass over the prone Manvers goalie.

Manvers had their own chances, but they were shut down as well. The second period ended with the game tied at zero.

Manvers exerted pressure early in the third period, and Minden goaltender David Muir made a fine toe save on a 2-on-1, but the rebound went to a Manvers forward who made no mistake. Manvers scored two more goals in the next three minutes and took a 3-0 lead. Minden kept working and Aaron Keaney scored on a wrap around move with 4:09 left in the game. Minden tried desperately to get another goal to make the game closer, but to no avail. Manvers was full value for the 3-1 victory, but our OMHA Atoms are looking forward to the re-match.

ASES Senior boys capture cross-country title

by Ariel White

The Archie Stouffer Elementary School Cross Country team ran down to Lindsay on October 13 to participate in the Victoria County Schools Cross-Country meet and returned with the Senior Boys championship.

The Archie Stouffer team received a special invitation to join the Victoria County Schools, when it was learned that there would be no meet in Haliburton County. The team travelled to Ken Reid Conservation area in Lindsay and was rewarded for its long bus ride.

Five boys, one intermediate and four seniors, were rewarded for their efforts, by placing in the top ten in their respective divisions. Sean Keaney placed sixth in the intermediate division, running 3000 metres. Keaney competed against over one hundred other runners.

CROSS COUNTRY CHAMPS: The Archie Stouffer Senior Boys captured their division championship at the recent Victoria County cross country meet. The boys are, from the left, Sean Keaney, Kolt Smith, Daryl Arbour, Benji Saunders and Kevin Walker. (A)

The senior boys from ASES stuck together and placed in the top ten. Kevin Walker was the first ASES runner to finish, coming in fifth. Daryl Arbour, Kolt Smith and Benji Saunders fin-

ished in sixth, seventh, and eighth positions respectively.

These results were good enough to capture the Senior Boys Division plaque and take the title out of Victoria County.

In the last 16 years, Lindsay's Central Senior school has taken the championship 13 times. Vice-Principal Doug Bothwell considered the win a "...truly impressive accomplishment."

Victoria County OPP investigate cottage break-ins in Somerville

The following report was compiled by the Victoria County detachment of the Ontario Provincial Police.

Break and enters in Somerville

Several Somerville Township cottages have fallen victim to a rash of break and enters over the last few weeks, according to Victoria County OPP.

Police have received numerous reports of break and enters at cottages in the township. Late last week a cottage was broken into and several items, including bed sheets, boots and other items were removed.

Several of the break-ins appear to be the work of the same individuals. These incidents remain under investigation.

If anyone has information regarding these crimes, they are asked to call the Victoria County OPP at 324-6741 or Crime Stoppers.

1999 Seat Belt Campaign

Between October 2 to 16, Victoria County OPP took part in two programs targeting high risk behav-

iour and seat belt use. Operation Impact and the 1999 Seat Belt Campaign were very successful. The combined numbers are as follows:

- Number of vehicles checked - 5540
- Number of violations regarding adult seat belt use - 82
- Number of violations regarding child seat belt use - 1

It is unfortunate to see the numbers of charged persons, however, through education and further seat belt charges, we hope that next year's numbers are nil. Drive safely.

REMEMBRANCE DAY

Remembrance Day - The Last Post sounds - Canadians pause in silence. This year, at the end of a century of wars, The Royal Canadian Legion asks all Canadians to pause for a special "2 Minute Wave of Silence" starting in Newfoundland and moving across Canada's time zones like a wave. Be part of it. At 11 a.m. in your home town, take two minutes to stand silently, think and remember those who gave their futures so that ours would be secure. With your family, friends and business partners, join the "2 Minute Wave of Silence". It will be two minutes well spent before the minutes of this millennium run out.

SETTING THEIR SIGHTS ON GENEROSITY: Garrett Schakelaar receives dozens of pairs of eye glasses and small toys from Lion Doug King of the Kinmount Lions Club. The Kinmount club has been working with Zambia District Lions Governor Dr. W. Mumba and Bert Bokker of West Guilford to deliver glasses to underprivileged in Zambia. The lions have sent over one thousand pairs already. Schakelaar is in charge of shipping the packages to those in need. Anyone wishing to donate may do so at Dettman's Variety in Kinmount, or by contacting a Kinmount Lion.

**KEEP YOUR
DISTANCE FROM
FALLEN WIRES**

Ice storms, high winds or fallen tree limbs can bring hydro lines down. Even a fallen wire that seems dead can be dangerous. Stay away from the wires, warn others to keep clear and call your local hydro or the police to report the fallen wire as soon as possible. If there's a live power line touching your vehicle, stay inside until a hydro crew removes the line, putting even one foot on the ground can be a fatal move to make. If you must leave because of fire, jump clear without touching the car and the ground at the same time. For advice or assistance, call our Customer Communications Centre at 1-888-664-9376 or visit our website at www.onhydro.com for more safety information.

 Ontario Hydro Services Company

ONE FOR THE BOOK: It was a good year for Gladys Kellett-Wruth's garden as proven by this whopper of a carrot. Measuring 15 inches in length, the root came as a surprise for Gladys, whose garden south of Minden has coarse soil and lots of stones. The carrot was carefully excavated to be harvested in tact.

Look after your PFD so it will be ready next spring

by Lisa M. Petsche

Most Haliburton boaters know that federal law requires Canadian pleasure craft to carry a personal flotation device (PFD) for each person on board, and that the Coast Guard's Office of Boating Safety recommends wearing your PFD whenever you are on the water. What boaters may not be aware of is the extent to which a PFD's safety value depends on proper choice, care and storage. The following guide tells all you need to know to keep your PFDs in working condition, and includes replacement tips.

Care and maintenance

There are many things you can do to ensure your PFDs remain in good shape. First of all, do not alter them in any way. Second, use them only for their intended purpose; they should not double as seat cushions, kneeling pads or boat fenders.

Avoid leaving PFDs in the sun for long periods of time (sunlight may fade colours and weaken synthetic fabrics). When drying, do not use direct heat of any kind (it can damage the flotation material.) Rather, hang your PFDs on plastic hangers in an airy spot - in the shade if outdoors.

To clean them, hand wash in warm water using a mild laundry detergent. Paul Higginbotham, Director of Research and Development at the Vancouver-based Mustang Survival Corporation, offers this tip for removal of stubborn stains: Scrub lightly with a soft nailbrush and detergent. Rinse carefully but thoroughly in fresh water, then hang to dry.

The Office of Boating Safety recommends that you thoroughly check the condition of your PFDs on a regular basis. Examine them closely for rips, tears and holes, as well as damage to seams, zippers, buckles and straps. Look for "signs of waterlogging, mildew, and shrinkage or hardening of the buoyant materials." Last, but not least, check that the fit and flotation performance are still adequate. (See Testing section for buoyancy test.)

Replacement

Fall is a good time to purchase PFDs, due to seasonal store clearance sales. If any of your PFDs are in undesirable condition or family members have outgrown them, follow these tips to make a wise replacement choice:

ment choice:

- Select a style based on product information as well as type of water activity planned. Sizing and other information is printed on the inside of the product, and a brochure is usually attached.

- Ensure a snug but comfortable fit. (Some manufacturers, including Mustang Survival, offer sizing up *(more on page 19)*)

Proper storage important for PFDs

(from page 18)

to XXXL, which accommodates a 54-58" chest.)

- Consider the need for visibility in the water. Bright colours are recommended.

- Look for Canadian-approved products. Jean-Philippe Croteau of the Office of Boating Safety stresses that Canadians must use PFDs that are approved by the Canadian Coast Guard (CCG), Transport Canada (DOT) or the Department of Fisheries and Oceans (DFS). It's the law.

(Note: Approval becomes void if the product is not maintained in serviceable condition.)

Large persons need not be concerned about whether a flotation device has sufficient buoyancy. The Mustang Survival Corporation assures that the minimum buoyancy requirement is sufficient for everyone, regardless of size. Their advice: "If it fits you, it will float you." Be sure to put your name on your PFD if you will be the only one wearing it. That way there will be no mistaking which one is yours.

Testing

As soon as possible after purchase, try out your PFD in shallow water to prepare yourself for an emergency. At chest depth in a lake or swimming pool, raise your legs and tilt your head back. You should float without effort, with your chin above water.

It is particularly important for children to become comfortable wearing a PFD in the water, since their body weight distribution makes them more likely to float face-down - especially if they panic.

Storage

Whether you are putting away your PFDs for a few days or for the winter, it is important to follow proper storage procedures.

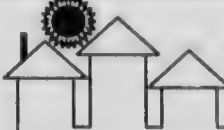

- Ensure they are totally dry before storing them away.

- Keep them in a moisture-free, well-ventilated environment - preferably in a hanging position. (Avoid plastic bags.)

- If stowing them in your boat or a container of some sort, do not bend them or place heavy objects on top that might crush them. Be cautious about container storage (such as plastic totes or marine storage boxes), since mildew can thrive in dark, enclosed spaces if everything is not completely dry.

In the words of Paul Higginbotham, "Treat PFDs like your own clothes, and they should last a long time."

Minden W.I. September meeting

by Mary Cox,
Minden Women's Institute

The October meeting of the Minden Women's Institute was held at the Library Cultural Centre, with the president Jean Cox, presiding.

She welcomed everyone and read a poem, "I'm October". The roll call, 'Why does Canada attract people from other countries', was answered by 12 members and one guest was welcomed. A sympathy card was signed by all and will be sent to Elva Deacon, whose sister passed away. Rita Baird told us about her visit to the Erland Lee Home.

Mary Cox, as delegate to the Area Convention, gave a full report of the proceedings. She attended two workshops, one on foot care, given by a VON nurse and the other on PhoneBusters

and scams. A speaker on literacy was very informative and a copy of this will be given at a future meeting.

The Tweedsmuir History Curator mentioned the work that the late Jeanne Sears had contributed in this area.

Rita Baird, also a delegate, told us about the workshop on stress that she attended. They were given the usual applause.

Irene Moore, convener of Citizenship and Legislation gave a paper on what one has to know to become a Canadian citizen. There are

many rules and regulations. She also spoke about the difference between Canada and the United States, in their government structure which was very interesting. She was thanked by the members.

The meeting adjourned and Irene was a capable auctioneer for the crafts and bake sale. The next meeting will be on November 17 at 1:30 p.m. at the same place with a talk on health issues. All ladies are welcome.

All enjoyed the tasty lunch and social time.

Citrus sales help pay for trip to Ottawa

The Haliburton Highlands Secondary School Flute Choir will be in the spotlight in the nation's capital in November as it has been selected to perform in a showcase concert at the Ontario Music Educators Association conference in Ottawa.

The Flute Choir recorded an audition tape last spring and was deemed to be an excellent choice for the concert. This group of students will be performing alongside other student musicians from much larger schools from larger centres. HHSS music teacher Tom Regina noted that it is an honour to perform in this concert.

The trip to Ottawa is being financed through the annual sale of citrus fruit. Orders for fruit will be taken until the end of October. Anyone interested in helping HHSS music students, may place an order by calling the school at 457-2950 extension 523, any evening until Hallowe'en.

Proud parents and music lovers can catch the flute choir in December after their Ottawa debut, at the Christmas concert at the Northern Lights Pavilion on December 9 at 7:30 p.m.

The Heart Facts
Is smoking really linked to heart disease and stroke?

Yes! Smoking is a major cause of heart disease and stroke. More than 35,000 Canadians die prematurely each year from the effects of smoking. Don't be one of them. Start planning to quit now!

For more information, contact your local chapter of the Heart and Stroke Foundation of Ontario.

13 more beds added at Ross Memorial

Approval of Ross Memorial Hospital's request to operate an additional 13 acute care beds effective immediately was announced recently. Funding for the operation of these additional beds, in the amount of \$1,224,807, has been provided to the hospital for each of the fiscal years, 1999/2000 and 2000/2001 according to an announcement from the MPP for Haliburton-Victoria-Brock, Chris Hodgson, and the Minister of Health, Elizabeth Witmer. The additional funding eliminates the

previously projected operating budget deficit for the current fiscal year.

Ross Memorial has been operating additional beds that are unapproved and unfunded to cope with the significant

overcrowding of the Hospital's Emergency Department and inpatient areas. "In order to meet the demand for inpatient services, we have regularly staffed and operated a

NEW ARRIVALS: A shipment of 27,000 brook trout arrived at the HHOA Hatchery on October 14 from the MNR Hatchery in North Bay. They were placed in a pond at the HHOA facility, with about 5,000 scheduled to be netted and placed in the tanks inside the new hatchery building within the next week. Hatchery volunteers Bev Hunt and Glen Blair position the hose from the truck to the pond. The three to four inch brook trout will be raised at the hatchery for stocking in Highlands streams in the spring of 2000.

JEREMY'S REVENGE: As part of the Week Without Violence, a group of HHSS students wrote and performed a play to try and explain some of the reasons students turn to violence to cope with their problems. In this scenario, loosely based on the Pearl Jam song, *Jeremy*, a counsellor, played by Kate Campbell, tries to discover what caused, Ryan Dawson's character to start a shooting spree in the cafeteria. The play goes on to describe his troubled life with parents, his peers and the various stressors which may have led to his violent behaviour. The play was performed for students, and was followed with a discussion about violence in the school with vice principal Irv Sternberg, OPP officer Laura Ostler, and Ann Curry - Stevens with the YWCA.

RMH funding

(from page 21)

minimum of eight, and on occasion, as many as 20 or more unapproved and unfunded beds for several months," said Hospital President and CEO Anthony Vines. "With this announcement, these beds are now included in the Hospital's official bed complement."

The Ministry of Health's approval of the additional 13 beds is consistent with the directions of the Health Services Restructuring Commission which required that 13 additional acute care beds be in operation by the year 2000. The Commission's report also required that additional space be built to accommodate some of these acute care beds in addition to a significant expansion for emergency, continuing care,

mental health and rehabilitation beds. Until such time as the Hospital's expansion project is complete, it will locate some of these 13 beds in a temporary facility within the hospital.

Mr. Vines expressed pleasure with the positive announcement of the Ministry of Health and expressed his appreciation to the Provincial Government for its support of the hospital's request. "I am also appreciative of the efforts of all staff and physicians in responding to the needs of our patients during what has been at times, difficult and overcrowded circumstances."

Frost Centre demonstration mill reopens thanks to local business

The sawmill blade is turning once again at the Frost Centre, thanks to a new partnership with a Minden area business.

The sawmill, which was built in 1965, as part of the Ranger School, was shut down ten years ago, due to lack of funds, and staff to man the labour intensive operation. The mill was never meant as a commercial operation, but rather initially, for Ranger students to learn scaling and other techniques, and later for school groups and other visitors to the Frost Centre to gain an understanding of the processes which take place as a tree is turned into pieces of lumber.

As the years passed, the facility deteriorated, and a decision had to be made, either to tear down the mill, or find an outside body to run the operation.

After a request for proposals was sent out, the Frost Centre did find an interested party. The

From round trees to flat lumber, students get a closer look at the final product at the Frost Centre sawmill.

Minden company, Northern Timberhouse, proposed to use the facility to mill logs for its timberframing operation. In exchange for the use of the facility, the Frost Centre will be able to once again use the mill to demonstrate the milling process and the many uses of wood to the Centre's visiting groups.

Eventually it is hoped that the company will erect a model structure, to allow visitors to see the complete process that a tree might go through.

"The mill is set up and ready to go. It has everything it needs to function," said Alfredo Rico, owner of Northern Timberhouse. "It's down

HHHS

The laundry facility at the Haliburton Hospital site will be temporarily closed due to construction. Laundry will be transported on

a daily basis (Mon.-Fri.) to the Minden site of HHHS (Hyland Crest) and returned. A person with an enclosed vehicle, large enough to contain two laundry carts (70"H x 24"W x 70"L) and one cart (32"H x 29"W x 41"L) will be required, beginning in early December and continuing for approximately 4 - 6 months. A mail pickup at each site will be included. The person must be bondable and provide details of vehicle ownership and insurance. Any questions, please contact Peter Fearrey at Hyland Crest 286-2140 or Betty Russell at HHHS 286-4997.

If you are interested in providing this service, please send a written price quotation, including total costs on a weekly basis, by November 5th to:

ONTARIO GOVERNMENT NOTICE

The Expropriations Act

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER of an application by the Minister of Transportation for approval to expropriate lands being: in the Township of Anson, Hindon, and Minden, Geographic Township of Minden, in the County of Haliburton, in the Province of Ontario for the purpose of providing sufficient land to improve the intersection of Highway 35 and Highway 118, and works related thereto.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the lands described in the schedule attached hereto:

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

- (a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;
- (b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

Frost Centre instructor Barrie Martin gives students a closer look at the sawmill blade during a tour of the recently re-opened facility. The sawmill will be operated by Northern Timberhouse of Minden and be available for educational purposes for visitors to the centre.

Mill rescued from demolition

(from page 24)

to earth work." Although he feels it would never be cost effective to run as a commercial operation, it suits his type of business.

Rico and his crew ran the mill steadily through the summer months. It is hoped that they will be able to log in the off season, to prepare for milling in the spring.

Barrie Martin, of the Frost Centre is also pleased with the partnership so far. As the arrangement

started in the summer, the centre has not yet been fully able to promote the mill as part of its programs. He feels that it would make an interesting addition to the centre's Discovery Days tours. He feels that this is an excellent addition for school groups from larger urban centres to see that logging and milling, if conducted properly is an important and acceptable part of life.

"It's all part of urban kids' connection with the environment," said Martin.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-27/98

Take Notice that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

Firstly: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Unnamed Lake, lying in front of Part of Lot 7 & 8, Concession 11, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6720.

The Proposed By-Law will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 11th day of November, 1999 at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

Dated at the Township of Lutterworth this 18th day of October, 1999.

Music and merriment at Hyland Crest

Another week has gone by, it seems, in a blink of an eye. Our days have been well spent with various activities for us to enjoy.

Our tea party last Thursday was hosted by the Minden Women's Institute. What a lovely array of treats there was for us. Many thanks to you ladies. The following morning we welcomed the music of Jack and

Ruth Worthington and in the afternoon we gathered for our Happy Hour. Northern Jam was here to entertain and what a fun time we had. Our thanks for all this lovely music.

On Saturday, Winnie Barnum had a great day helping her son, Terry and his wife celebrate their 50th wedding anniversary. It was held at the West Guilford hall and according to Winnie, everyone had a wonderful time. Winnie even bought a new dress for the occasion and you can be sure she looked terrific. Glad you had such a good time Winnie. For those of us who stayed home, we enjoyed listening to the music of Bert Bonnell. Sunday afternoon, Pastor Dan Millard was here for our Chapel service. We were pleased to have his wife join us, as well as a couple of his friends.

The topic of discussion at our Diners Club meeting on Monday was fish. We had fun coming up with different ways fish can be eaten. Kimberly talked about how healthy fish is to eat. How it is a good source of protein and is known as "Brain Food". That should help us out! Afterwards we enjoyed sampling three types of cod, all prepared differently. Also some sole with a nice hot cup of tea. The next meal of the month was chosen, roast beef with English trifle for dessert. We are certainly looking forwards to that. All in all, a good meeting.

Reverend Davis was with us at Tuesday morning's Chapel service. A memorial was held for Glenn Austin. We appreciated Ruth Worthington being there to play the organ for us. That afternoon quite a few residents boarded the Hyland Rover for a short run into the country. It was good to have Bob

Muirhead (our driver) back with us. Bob has been sick for a while and we're glad to see him up and about once more. Our drive took us to the Haliburton and West Guilford area. We were lucky that there were still some colours left. Lots of gold this year. It certainly made for a lovely carpet everywhere.

On the way home, we stopped for some ice cream. Our thanks to everyone for providing such a lovely afternoon.

Yesterday was our monthly council meeting. It was well attended. We discussed many things. Our upcoming Christmas bazaar, our ticket sales on "The Minden Barn" and the rug hooking.

We also discussed our plans for Hallowe'en. We certainly hope to see lots of kiddies again this year. During the meeting we were also informed that it will probably be the new year before we are in our new wing. Oh well, that's the way things go. We will just have to wait a little longer that's all. We know it will be worth it.

Our tea party today is scheduled to be hosted by St. Anthony's. We look forward to having them with us.

We have just a couple of announcements before we sign off. First we want to thank the Minden Lions for their donation that has allowed us to have our ice cream treats on our bus trips. We're sure they know how much we have enjoyed this gift.

A warm welcome goes to Gordon Jamieson, who has joined us here on vacation care. We hope he enjoys his stay with us.

Our volunteer who "Ghost writes" this column, will not be with us next week, so we may be missing a week with you. Should that be the case, we want to send birthday wishes to our first birthday in November. Happy birthday greetings to Walter Stevens, who celebrates on November 7. Enjoy your special day Walter, who is one of our roving reporters.

Guess that's it for now. Hope everyone has a safe and happy week and have fun on Hallowe'en.

ONTARIO GOVERNMENT NOTICE

The Expropriations Act

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER of an application by the Minister of Transportation for approval to expropriate lands being: in the Township of Lutterworth and in the Township of Anson, Hindon, and Minden, Geographic Township of Minden, both in the County of Haliburton, in the Province of Ontario for the purpose of providing sufficient land for the re-construction of King's Highway No. 35 from 0.4 km. South of County Road 121, South Junction, to 0.8 km North of County Road 121, North Junction, and works related thereto.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the lands described in the schedule attached hereto

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

- (a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;
- (b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice

THE APPROVING AUTHORITY IS

Minister of Transportation
Parliament Buildings
Toronto, Ontario
M7A 1A8

Minister of Transportation
Per E.M. Hickey
Conveyancing Supervisor
447 McKeown Avenue, Suite 301
North Bay, ON P1B 9S9

THIS NOTICE FIRST PUBLISHED the 25th day of October 1999

 Ontario

Around the County Town

by Nora Snyder (call 286-4450)

I was sitting among a group of people enjoying a roast beef dinner at the church next door, (there was a big roast in the freezer and they thought it was a good idea to share it), catching up on friends' news: some good, some not so good. Seeing friends I haven't seen for a long time. Hearing about plans for the winter -- some heading for the south, others of us staying here but maybe hoping for a wee holiday, somewhere, perhaps? All of our plans for the winter, all of the preparations before winter begins. The talk filled the air along with the laughter which was erupting after the good food was all eaten and most of us were relaxing over a cup of coffee. It was dark outside and I had left the outside light on preparation for the shorting days. It is the dark of the winter which is the most distressing part of the season for me and it is creeping in now. It is so wonderful to be with people, especially in the 'dark'. No wonder there are so many card games to attend, so many artisan groups to participate in, so many ways to get together in our community, just as we did over roast beef!

The sharing of the roast beef reminded me of a passage I had read recently. "As fearful people we are inclined to develop a mindset that makes us say, "There's not enough food for everyone, so I better be sure I save enough for myself in case of an emergency," or "There's not enough knowledge for everyone to enjoy, so I'd better keep my knowledge to myself, so no one else will use it," or "There's not enough love to give to everyone, so I'd better keep my friends for myself to prevent others from taking them away from me." This is a scarcity mentality.

It involves hoarding whatever we have, fearful that we won't have enough to survive. The tragedy, however, is that what you cling to ends up rotting in your hands." The Temptation to Hoard, from "Bread for the Journey" by Henri J.M. Nouwen. Food for thought.

Another item from the Haliburton Highlands Genealogy Group; "Fall must have been one of the busiest times of the year (for the early settlers), fruit, nuts, berries had to be gathered; root vegetables carefully stored in the roothouse; corn cobs to be picked, husked, put into the corn crib and some of them taken to the mill and ground into corn meal; pickles and preserves had to be made; fruit was hung up and dried; animals had to be slaughtered as there was seldom enough fodder for them to survive the winter, the carcasses cut up and preserved, salt rubbed into all the pieces and then put into barrels to which a pickling brine of spices and vinegar were added. Every few weeks the barrels were unpacked, the meat inspected for spoilage. After pork had been in the brine for several weeks, the hams and bacon would be removed and hung up to smoke, usually in the kitchen chimney." Oh, they had to work so hard!

Have a good week in your preparation for winter!

SCORING NEWS

The Friendship Club at St. Pauls Anglican church held its usual afternoon of Euchre last Monday afternoon. Pearl Cowen won lone hands. Isabel Cherwenka and Jesse Barlow were the high scorers. Jesse Barlow went on to win the 50/50 draw.

Up at Club 35 last Monday evening, playing Euchre, Rod Farr won the 50/50 draw and Alf Whyman won lone hands. Helen Windsor and Stan Dutka won the high scores while Marion Farr and Josie Cheeseman took the lows. Mary Schad came in with the baloney for the night.

Also, last Monday evening, playing Cribbage at the Minden Legion, Georgina Parkes and Elva Paisley tied for first place. Pat Scadden, Georgina Parkes and Ann Baker won the draws.

The next afternoon at the Minden Legion, the Seniors played Bid Euchre. The top scores were taken by Pat Roussel, Verna McDonald, Marcel Roussel and Len Kroes. Kevin (?) won the hidden score. There were eight moonshots won that afternoon by Trudy Kroes, Ida Young, Iris Taylor, Ruth Kellett, Ann Baker, Georgina Parkes, Murray MacKinnon and the person identified with only one name, Kevin!

Before the last two events at the Legion, the Thursday evening of October 14, they played Euchre where Sharon Evans and Tod Edgson won the most lone hands. Margaret Fletcher and Jim Bradbury took the top scores. Marie Dennie and Marcel Roussel took the lows. Al Cooper, Rob Evans, Grace Dixon and Helen Lee won the draws.

Also on Thursday, October 14, at Home Support in Haliburton, Duplicate Bridge was played. Vera Carnochan and Mayme Douglas were first with 60%, Joan Galley and Joyce Burtch were second with 57% and Stella

McMillan and Norma Crewson were third with 56%.

Then at Stanhope, on Tuesday, October 19, playing Contract Bridge, Dorothy Strype and Muriel McIntosh bid and made the only small slam of the day. The scores were not the highest ever that day and they were bunched together, but everyone enjoyed the day none the less. Pearl Foster came out in fourth with 4080; Dorothy Strype, third with 4350; Helen Rice, second with 4390 and in top numero uno, Ross Fletcher with 4480.

At Parklane, in Haliburton, on Wednesday afternoon, October 20, playing Duplicate Bridge, Jack and Willie Cox were first with 57%. Ross Davies and Stella McMillan were second with 56% with Tom Hunter with Mike Collins were in third with 55%.

Lochlin played their bi-weekly Euchre last Tuesday evening. Orval Francis and Joyce Schellenberg were the high man and woman scorers. May Hicks and George Barton were the low scorers. Lorna Hicks won lone hands and Reta Cross won the 50/50 draw. (Sorry for the mis-spelling all this time Reta!)

Last Wednesday, evening up at Stanhope, playing Bid Euchre, four moonshots were won. The five top scorers were: Lottie Ruttan with 288; Ken Wallace with 297; Marion Farr with 304; Ed Gazensky with 311; and Pat Scadden with the amazing score of 343!

Enjoy another good week of cards. See you here again next week!

Service How and When You Want It

Government Information Centres are one of the ways the Ontario government is making it more convenient for you to access government information, services and advice from specialists:

At the Centres you can:

- Get answers to frequently asked questions about Ontario government services.
- Register an unincorporated business through an Ontario Business Connects self-serve workstation in 20 minutes
- Order government publications, electronically using POOL (Publications Ontario On-line), the government's virtual book store
- Search government internet sites
- Pick up free publications, information and government forms

We are working to serve you better.

Visit the centre closest to you:

Where: Hwy. 35 By-pass, Minden ON K0M 2K0

When: Monday to Friday, 8:30 a.m. to 5 p.m.

**GOVERNMENT
Information Centre**

are thrilled to announce the
birth of their son
**SAMUEL WILLIAM
GILBERT**
born September 30, 1999 at
Orillia Soldiers Memorial Hos-
pital, weighing 6lbs 1oz. Very
proud grandparents are Marlene
and Ed Pilcher of Horseshoe
Lake, and Ruby and Mervin Gil-
bert of Lochlin. Sam is also wel-
comed by his half-siblings
Amanda, Jeremy and Aaron Gil-
bert and his cousins Chris and
Alicia Pilcher.

PERSONALS

HOSPICE is the kind of caring
support that all of us would want
for ourselves and our loved ones
when faced with a life threaten-
ing illness. **Hospice is about
little deeds of kindness**, like a
ride to the doctor or a walk in the
park. It's about showing you
care enough about other people
to brighten their day with a call or
visit. At SIRCH, we train people
to be volunteer Hospice Com-
panions - **Next training begins
the first week of November.**
Call Sue Shikaze at SIRCH 457-
1742 ext. 24. 10D

LOST

Lost: Two Walker Hounds.
One tall Walker Colour-brown,
black, white, has a double collar.
One two year old pup. Colour is
brown, white. Both of these dogs
have collars with my number on
them and the black, brown, and
white dog has two collars on it.
These dogs were lost in the Denna
Lake area and it is possible that
they were headed toward Gelert
area or Kinmount. If found please
phone (705) 292-7819 or cell
phone (705) 772-0451 or E-mail
rsjr@accel.net Ask for Roger.

CARDS OF THANKS

The entire **Minden Hockey
Association** would like to thank
everyone who so generously do-
nated to our voluntary toll both
on Saturday, October 9th, 1999.
Our fundraising efforts are
greatly boosted by this event and
we thank you for your support.

Recently I went to Randy
Warburton's church and found a
very moving, understanding ser-
mon, it was from the heart. He
moved everyone in the church. I
stood up and asked him to pray
for me and to help me with the
loss of my son Fred. He said a
special prayer for everyone but
the service was very moving for
me. I could feel God's Presence
there. We need more sermon that
people can understand and more
good old hymns to sing. There
are so many people sick who
need prayer. My sincere thanks.
Helen Cox.

AT REST

CLEE

Donald Charles

(Feb. 1, 1920-Oct. 15, 1999)
Donald Charles Clee, DDS, passed from this life on Friday, October 15, 1999 at Extencicare-Haliburton in his 80th year. Don was dearly loved by his wife Isobel, sister Marjorie Trusler and children Ted (and wife Jane) of Chappell Hill, Texas, Oliver and Charles of Toronto, Martha (and husband David Beach) of Calgary, Alberta, and Gordon (and wife Gail Raynard) of Toronto. He is also fondly remembered by his grandchildren Alexander and Vitaly Clee of Texas, James and Emily Beach of Alberta and Allison and Emma Clee of Toronto. He is predeceased by granddaughter Sarah Clee of Texas. Don practised dentistry for 36 years in Toronto and was part of the Haliburton community for over 40 years and his heritage was celebrated by family at the Haliburton Community Funeral Home on Sunday morning, October 17th and with friends in the family residence at Clee's on the Rocks that afternoon. As expressions of sympathy donations to the Haliburton Highlands Health Services (HHHS Foundation) would be greatly appreciated.

SEMKIW, Anna

At Ross Memorial Hospital, Lindsay on Thursday, October 21, 1999 in her 93rd year. Beloved wife of the late Steven Semkiw. Loving mother of Paul and his wife Irene of Norland. Predeceased by her son William. Predeceased by brothers Donald, Walter, Steven and her sister Mary. Also lovingly remembered by many nieces and nephews. Friends were invited to call at the Coboconk Community Funeral Home, Cameron Street (on Hwy #35) in Coboconk (705) 454-3913 on Sunday afternoon, October 24, 1999 from 2-4 and 7-9 p.m. Funeral Service was held in the Chapel on Monday morning, October 25, 1999 at 11 o'clock. Interment later Glendale Memorial Gardens, Rexdale. As expressions of sympathy, donations to a charity of your choice would be appreciated by the family.

AT REST

HOWE

Betty Joyce

(Nov. 26, 1934-October 21, 1999)
At Haliburton Hospital on Thursday, October 21, 1999 in her 65th year. Beloved wife of Neil Howe. Loving mother of Cindy Boughner (Roy), Pat Howe (Rob) and Julie Chalmers (Gord). Fondly remembered by her grandchildren Issac Brannigan, Jessica Billings, Amanda & Ryan Chalmers and Dustin & Kyle Boughner. Dear sister of Doris Tripp, Leona Tripp and Donna Lambe. Predeceased by her parents William and Noreena Lambe and brother Melville. Friends were invited to an informal gathering on Sunday, October 24, 1999 from 2-4 p.m. at the home of Roy and Cindy Boughner-Hwy #118 to Harburn Road, first left-Ilman's Road. Second house on the right. As expressions of sympathy donations to the Haliburton Highlands Health Services (HHHS) Foundation would be greatly appreciated. Funeral arrangements were entrusted to the Haliburton Community Funeral Home, Haliburton, Ontario (705) 457-9209.

"And everyone who calls on the name of the Lord will be saved" Joel 2:32/Acts 2:21

AT REST

EVERSON,

William "Bill" Charles

(Retired Roads Superintendent of Haliburton County and former employee 20 years at Miller Paving)

Passed away suddenly at his home in Ingoldsby, Ontario, Friday October 22, 1999 at the age of 68. Beloved husband of the late Beatrice (nee Warner). Dear father of Ken and his wife Leslie of Newmarket, Kim and her husband Tim Sharpless of Ingoldsby. Loving papa of Kristen, Missy, Tracey and Jeff. Dear brother of Eric and his wife Pat. Son of the late Charles and Lillian Everson. Friends were invited to visit the family at the Gordon A. Monk Funeral Home, 127 Main Street Minden (1-888-588-5777) Sunday. Private Family Funeral Service at the funeral home on Monday, October 25, 1999. Interment at Ingoldsby Pioneer Cemetery. Memorial donations to the Haliburton Highlands Health Services Foundation or to the charity of your choice would be appreciated by the family.

IN MEMORIAM

BESNER, David - In loving memory of a dear husband and Daddy who passed away October 23, 1995.

*Sunshine fades and shadows fall,
But sweet remembrance outlasts all.*

Forever in our hearts,
Lisa and Matthew.
